The Rosewood

One of our most unique home designs, the Rosewood offers traditional styling and all the amenities expected in a 21st century home.

Enjoy the convenience of a first floor primary bedroom and bath, open vaulted ceiling, spacious bedrooms and an open loft above.

The Rosewood offers the options of a designer kitchen, designer bath, first floor study and additional bath on the second floor.

Our designers and craftsmen can even personalize your home to make your own.

All our homes are energy tested to provide years of efficient interior comfort and money savings.
